Dear Hiring Manager,

I am a recent graduate of Dawson College’s Graphic design program looking for challenging and engaging work with your company.

I’ve studied in various art related programs, such as Arts, Literature and Communication, and Art education. These programs have given me insight into different styles and procedures that I am now able to apply to my design. I am also confident in my adaptability to work in any situation, as well as working in teams. My proficiencies and skills in various design related software have been listed in this letter, as well as my past experiences, and more extensive education background.

Alongside this letter is a booklet of my previous works and projects. I have also sent a PDF of this resume via my email. If you have any further questions, or wish to contact me personally, my phone number is (514) 917-7848. Thank you for your time and consideration, I look forward to hearing from you again.

Best regards,

Peter Manteigas
