Education

Graphic Design

Dawson College
2015 - 2018

This is a 3-year technical program that gives students the opportunity to build a foundation in traditional design mediums such as printing and illustrations as well as prepare students for the future with interactive and time-based mediums such as motion graphics, film, and web design.

Communications

Vanier College
2012 - 2014

This is a 2-year program aimed to give students room to experiment with various forms of media in the field of communications including digital design, drawing, and film, while developing a critical eye toward their own work and the work of others.
